GROUP

CONNECT ACROSS INDUSTRIES BUILD ACROSS BORDERS

It is a privilege to welcome you to Las Vegas for an event that marks an important new chapter in MIE's 25-year history.

Around the world, **MIE** brings together the people shaping the built environment—from developers and investors to designers, technologists, and policymakers. For the first time, we are bringing three connected sectors together on one platform: **APEX** for real estate investment, **SHF** for smart and livable design, and SIS for sustainable and resilient infrastructure.

Over the next three days, I encourage you to explore beyond your primary sector, exchange ideas, and build relationships across industries and borders. To our speakers, sponsors, partners, exhibitors, and attendees, thank you for making this gathering possible. We are proud to welcome you and look forward to what we will build together.

David Wang
Chairman, MIE GROUP

Global Investment to build the City of Tomorrow
